Grandfather Mountain ~ Chimney Rock Park

July 25-26

Discover nature on a whole different level. This is a photographer, naturalist and hikers paradise! **Grandfather Mountain** is in Linville, NC and home to the famous Mile High Swing Bridge you can walk across and see for miles! Join us as we explore **Chimney Rock Park** with more than 1000 acres of natural beauty, six hiking trails and a 404 foot waterfall. Climb to the top of the 315-foot monolith located on the edge of the Blue Ridge Mountains, elevating to 2280 feet with a breath-taking view of more than 75 miles. So many more natural rock formations, as well as the location of the movies "Last of the Mohicans," "Firestarter," "A Breed Apart," "28 Days," and a mile away from Lake Lure, where "Dirty Dancing" was filmed. Price includes round trip transportation, entrance to the park and lodging to include breakfast!
